EXIDA ANNOUNCES BUSINESS PARTNERSHIP WITH AVANCEON

SELLERSVILLE, PA (September 3, 2015) -- exida, a global supplier of functional safety products, services and certifications is pleased to announce a business partnership with Avanceon.

“exida provides Avanceon with a breadth of offerings that allow a complete and holistic answer to the needs of the automated manufacturer,” says Matt Ruth, Avanceon Vice President. “Avanceon takes seriously our responsibility to help ensure that the safety and wellbeing of our customer’s people and process, and found exida’s certification and experience in the space to be an excellent add on to our solution offering. Their safety expertise, coupled with their cybersecurity and alarm rationalization offerings, made an exida and Avanceon partnership a perfect fit.”

“exida chose to partner with Avanceon due to its solid reputation in the industry and its solution offering, which fits exida’s product and service portfolio,” says Steve Gandy, exida VP Global Business Development. “Avanceon also holds the same ideals and principles that exida has regarding the approach to safety and cybersecurity, and we look forward to a mutually and beneficial, long lasting relationship.”
